

## LEARN HOW TO PROGRAM

## Who We Are

CoderDojo is a global movement of **free**, volunteer-led, community-based programming and technology clubs for young people. CoderDojo Toledo is Toledo's chapter—one of many thousands around the world.

## What We Do

We design video games, build websites and mobile apps, create and print 3D Models, and much more, and then we teach others how to do the same.

## Where You Can Find Us

CoderDojo Toledo meets every Saturday from noon to 3:00pm at Communica in Downtown Toledo. For information on events, how to attend, and where to park, please visit our website at **coderdojotoledo.com**.
